

WINTER | **SPRING** | SUMMER TIMETABLE

MUSIC IS THE ONLY ACTIVITY THAT ENGAGES AND STIMULATES THE ENTIRE BRAIN, A FACT DEMONSTRATED IN MANY OF OUR CLASSES

MUSIC APPRECIATION 3-4YRS

Creative curiosity and whole sensory engagement is continuously challenged with orchestral based games. Compositional songs and instrumental adventures provide the foundation for later instrumental learning.

PIANO APPRECIATION 4-5YRS

Group lessons are driven by the child's sense of curiosity in how music works. With song, notation and appropriate piano technique, lessons are an excellent introduction to piano learning.

INSTRUMENTAL APPRECIATION 4-5YRS

Using a creatively structured framework that nurtures all aspects of discovering a variety of instruments such as violin, ukulele, piano and percussions. Musical games are weaved into aural notation, posture and instrumental technique.
